Re: Law Offices of John R. Browne III

I have known Jack Browne for three years, during which time I have increasingly worked with him on a number of legal aspects. I have always found Mr. Browne to handle his client's interests in a most professional manner and on a cost effective basis. He has consistently made himself available by returning phone calls on a timely basis and has always complied with client's wishes and instructions.

It is my experience that Mr. Browne is very approachable and easy to work with. His knowledge of the legal intricacies, in the relative areas of his work, is both thorough and extensive.

Yours truly,
